---

Readers can now log in and submit a link they think might interest urban gardeners. You can now join and create a login that will be verified by email. Then, under the login you will see a link to submit your link. So, if you've got a favorite site on green stuff submit it

### Other news

You can find your nearest CSA (Community Supported Agriculture) group with the link below. This is a great way to get a line on fresh, locally grown foods. [Local Harvest Zip Lookup](#) .
