

JC Gardeners group has a new name

Friday, 17 October 2008 10:53 - Last Updated Friday, 17 October 2008 10:59

The gardening group that was formed in the Hilltop area of Jersey City this past summer has chosen a new name for itself. The group will now be known as The Jersey City Gardening Coalition. Membership has grown and goals for the group include a community garden for the Hilltop and advocacy for more green space for the area.
